The above mentioned batch has been manufactured and checked in accordance with the requirements of its Marketing Authorization, in accordance with the principles and guidelines of EU GMP, German Drug Law and German Drug Manufacturing Regulation. It conforms to all specifications and is released to the market hereby.

The approval was made by electronic signature of Dr. Rolf Tybussek, Sachkundige Person / Qualified Person, plant Garbsen, on Apr 21, 2018, 1:17:56 PM. This document was generated from a computer-based system validated pursuant to annex 11 of the EU GMP Guide. The data in this document, as well as the documented decision to release are legally valid without a manual signature in full.
