**GLYCO FLEX® CLASSIC**

32572300 1220

Item Master Code: 551

Item ID: 090S551.300

UPC:

Product Description: Unit Size: N/A Shape: Oval Color: Green Brown Speckled Product Description: Tablet

Packaging Description: Count: 300 Bottle: White HDPE 750 cc Cap: 53 mm Hunter Green Smooth Vented

**Product Facts:**

**Active Ingredient Per Tablet:**

*Perna canaliculus* (GlycOmega™ brand  
 Green-Lipped Mussel)

600 mg

**Inactive ingredients:** alfalfa, brewers yeast, microcrystalline cellulose, silicon dioxide, stearic acid.

Shelf Life: 36 Months

Manufacture Date: 12/2017

Expiration Date: 12/2020

**Microbial Contaminants:**

Test	Results*	Method
Enterobacteriaceae	<10 cfu/g	AOAC 2003.01
Salmonella	Not Detected / 25 g	AOAC 2003.09

\*Five (5) different 25 gram samples for Salmonella and five (5) different 1 gram samples for Enterobacteriaceae were pulled for testing. The five replicate samples were combined into two respective composite samples (125 gram sample for Salmonella and 5 gram sample for Enterobacteriaceae). The two composite samples were sent to a third party lab for analysis and testing was completed on the composite samples.
