**GLYCO FLEX® CLASSIC**

32871800 0321

**Item Master Code:** 551

**Item ID:** 090S551.120

**UPC:**

**Product Description:** Unit Size: N/A Shape: Oval Color: Green Brown Speckled Product Description: Tablet

**Packaging Description:** Count: 120 Bottle: White HDPE 400 cc Cap: 45 mm Hunter Green Smooth Vented

**Product Facts:**

**Active Ingredient Per Tablet:**

*Perna Canaliculus* (GlycOmega™ brand  
 Green-Lipped Mussel)

600 mg

**Inactive ingredients:** alfalfa, brewers yeast, microcrystalline cellulose, silicon dioxide, stearic acid.

**Shelf Life:** 36 Months

**Manufacture Date:** 03/2018

**Expiration Date:** 03/2021

**Microbial Contaminants:**

Test	Results*	Method
Enterobacteriaceae	<10 cfu/g	
Salmonella	Not Detected / 125 g	

\*Five (5) different 25 gram samples for Salmonella and five (5) different 1 gram samples for Enterobacteriaceae were pulled for testing. The five replicate samples were combined into two respective composite samples (125 gram sample for Salmonella and 5 gram sample for Enterobacteriaceae). The two composite samples were sent to a third party lab for analysis and testing was completed on the composite sample.
