

## Certificate of Analysis

Intracare B.V.  
The Netherlands  
June 30, 2020

Product: **Intra Calferol**

|                     |            |                  |            |
|---------------------|------------|------------------|------------|
| Product number:     | 421        | Analysis number: | ANL-200629 |
| Batch number:       | 421200624  | Analysis date:   | 29.06.2020 |
| Manufacturing date: | 24.06.2020 |                  |            |
| Expiry date:        | 24.06.2022 |                  |            |

| Parameter                | Result                            | Specification  | Method  |
|--------------------------|-----------------------------------|--|---------|
| Appearance               | Opalescent white/yellowish liquid | Opalescent white/yellowish liquid                        | INT-028 |
| pH (100%)                | 5.6                               | 6.0 ± 0.5  | INT-050 |
| Density                  | 1.089                             | 1.100 ± 0.020 g/ml                                       | INT-027 |
| Solubility (1%)          | Highly soluble                    | Highly soluble   | INT-024 |
| Vitamin D3               | 2 000 000 <sup>cc</sup>           | 1 500 000 – 2 500 000 IU/kg                              | INT-041 |
| Calcium                  | 32 353                            | 34 000 ± 3 000 mg/kg                                     | INT-077 |
| Magnesium                | 2 379                             | 2 500 ± 250 mg/kg  | INT-077 |
|                          | <10 <sup>1</sup>                  | Total viable bacterial count<br><10 <sup>3</sup> CFU/g   | INT-086 |
| Microbiological quality* | <10 <sup>1</sup>                  | Total viable yeast/fungi count<br><10 <sup>2</sup> CFU/g | INT-086 |
|                          | Absent                            | Absence of <i>E. Coli</i>                                | INT-089 |
|                          | Absent                            | Absence of <i>Salmonella</i>                             | INT-137 |
